1. DOCUMENT INTRODUCTION

The following document contains the screen designs Administrator Subsystem, Employee Subsystem, Login Subsystem, Sale Subsystem, Booking Subsystem, Client/Member Subsystem, Inventory Subsystem, Lesson Plan Subsystem and Payments Subsystem. It shows how the screens will look for subsystems 1, 2 and 3 of the proposed system. It displays possible screens, pop-ups and notifications(toasts and alerts) that users can expect to see in the H.I.I.T system.

2. SCREEN DESIGNS

2.1 SCREEN DESIGNS

EMPLOYEE

The screenshot shows a dark-themed user interface for managing employees. At the top, there is a navigation bar with a menu icon, the title "Employees", and the BSC logo. Below the title are four search/filter fields: "Employee", "Employee Type", "Qualification", and "Qualification Type". A search bar contains the placeholder "I am looking for...". A dropdown menu labeled "Filter Role" is open. A green "ADD EMPLOYEE" button is located below the search bar. The main area displays three employee records in a grid:

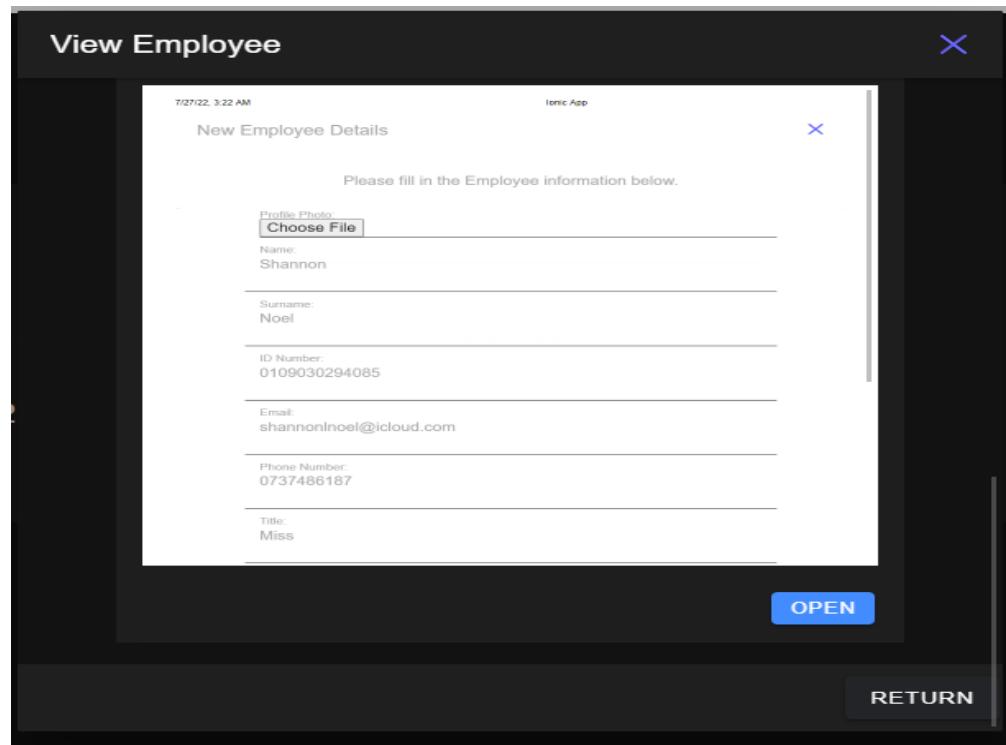

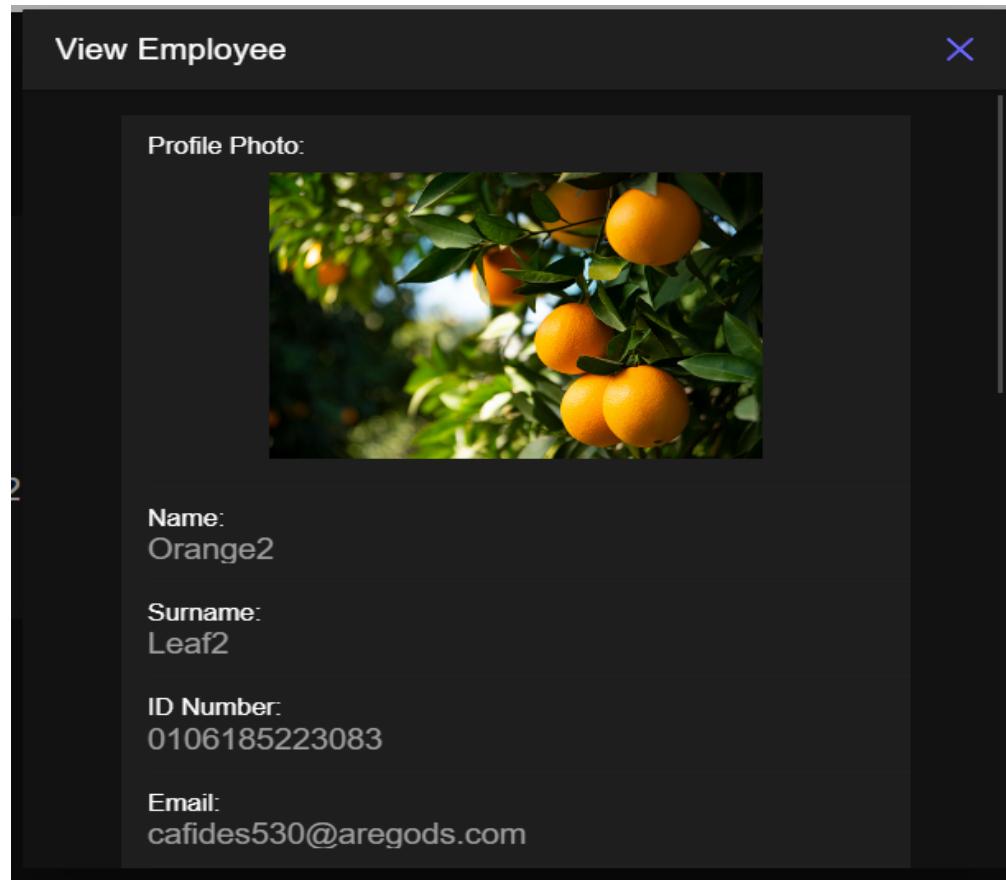

Employee Profile	Name	Email	Phone	Role	Action
	Miss, Shannon Noel	shannonnoel@icloud.com	(000) 000 0000	Admin	<button>VIEW</button>
	Miss, Test User	worolis359@galotv.com	(073) 748 6187	General Employee	<button>VIEW</button>
	Miss, Orange Leaf	cafides530@aregods.com	(073) 748 6187	Trainer	<button>VIEW</button>

CHANGE PASSWORD

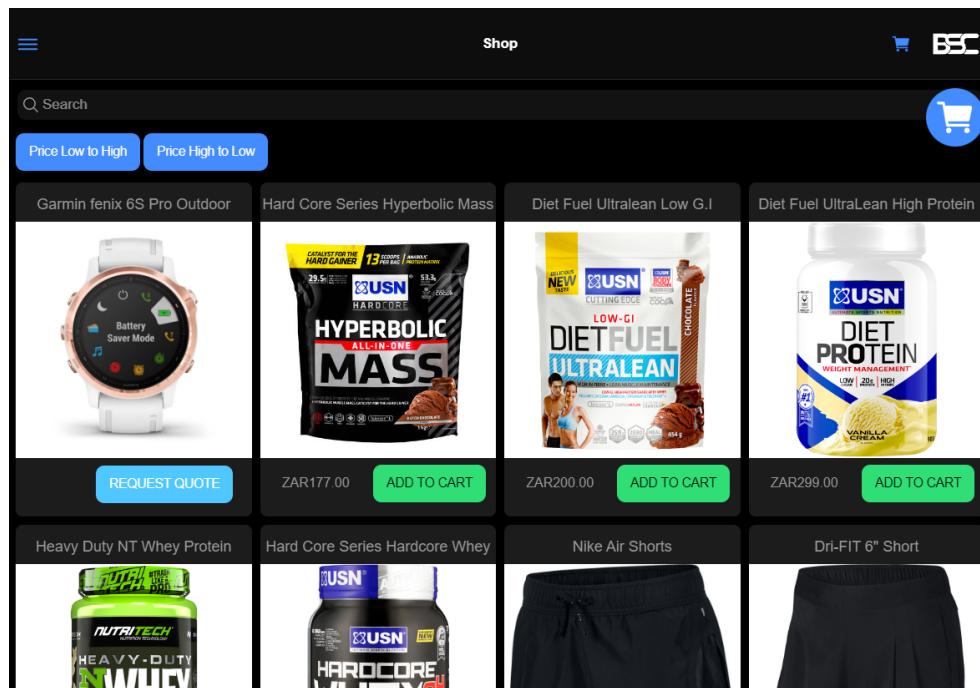

The screenshot shows a dark-themed mobile application interface titled "Change Password". At the top right is the "ESC" logo. Below the title is a large input field containing three password fields: "Current Password", "Password", and "Confirm Password", each preceded by a key icon and followed by an "eye" icon for password visibility. A blue "CHANGE PASSWORD" button is located at the bottom of the input area.

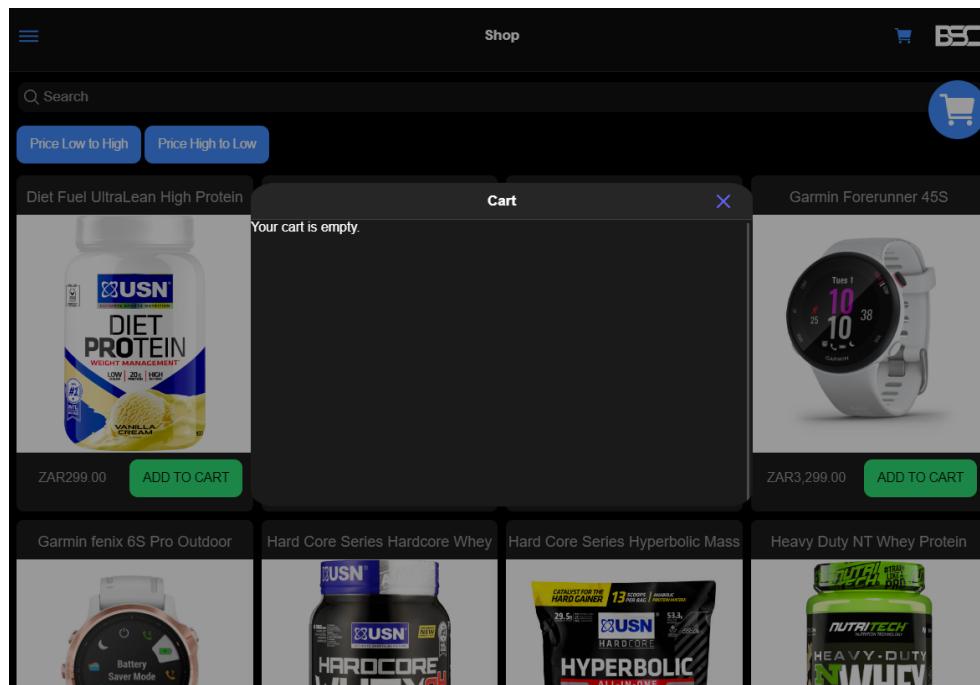

This screenshot shows the same "Change Password" screen as above, but with validation errors displayed below each input field. The errors are: "Old should be minimum of 8 characters" (under Current Password), "New password should be minimum of 8 characters" (under Password), and "Confirm Password should be minimum of 8 characters" (under Confirm Password). The "CHANGE PASSWORD" button is still present at the bottom.

REFUND REASON

View Refund Reason Screen

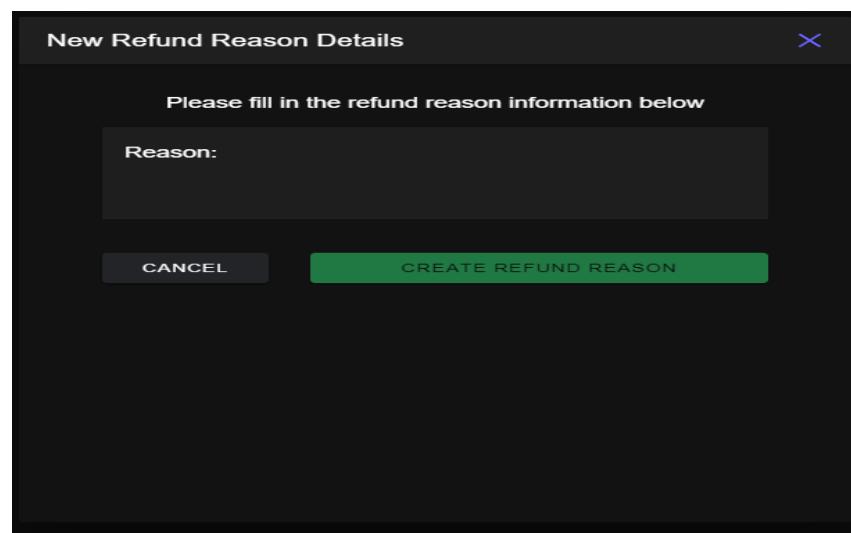

The screenshot shows a dark-themed mobile application interface for managing sales. At the top, there is a navigation bar with a menu icon, the word "Sales", and the BSC logo. Below the navigation bar, there are four tabs: "Sale Item", "Sale Category", "Refund Reason" (which is highlighted in blue), and "VAT". A search bar labeled "Search Refund Reason..." is positioned below the tabs. A green button labeled "ADD REFUND REASON" is located below the search bar. The main content area displays three refund reasons: "Expiry", "Broken", and "Damaged", each preceded by a left arrow icon.

BOOKING CALENDAR

View Schedule Screen

The screenshot shows a 'Booking management' interface. At the top, there are three tabs: 'Schedule Calendar', 'Booking Type', and 'Booking'. Below these are three buttons: 'ADD NEW EVENT', 'CREATE RANDOM [TESTING]', and 'REMOVE ALL EVENTS'. Underneath the buttons are three navigation links: 'MONTH', 'WEEK', and 'DAY'. In the center, the month 'August 2022' is displayed with arrows for navigating between months. The calendar grid shows dates from 31 July to 10 August. Specific days are highlighted in different colors: 4 August is green, 11 August is blue, and 12 August is light gray. The days of the week are labeled at the top of each column: Sun, Mon, Tue, Wed, Thu, Fri, Sat. The bottom of the interface shows a time range '07:00 - 08:30'.

View Booking Type Screen

The screenshot shows a dark-themed application window titled "Booking management". At the top, there is a navigation bar with three items: "Schedule Calendar", "Booking Type" (which is highlighted in blue), and "Booking". Below the navigation bar is a search bar containing the placeholder text "Search Booking Type...". A green button labeled "ADD BOOKING TYPE" is located just below the search bar. The main content area is divided into three sections, each with a title and a brief description:

- Personal**
1 on 1 dedicated sessions with your preferred trainer.
- Group**
40-50 students in a combined training session.
- Consultation**
Discussion regarding your progress, as well as a complete breakdown of your current health and physique.

View Exercise Screen

The screenshot shows a dark-themed mobile application interface for viewing exercises. At the top, there's a navigation bar with a menu icon, the word "Exercises", and the BSC logo. Below the search bar, there are tabs for "Exercise" and "Exercise Category". A green "ADD EXERCISE" button is located at the bottom left of the search bar area. The main content area displays two exercise cards:

- Bench Press** (Biceps) - Strengthening: This card features a video thumbnail showing a person performing a bench press, with the text "The Best & Worst Che... CHEST BEST TO WORST". It includes a "VIEW" button.
- Tricep Dips** (Triceps) - Strengthening: This card features a video thumbnail showing a person performing tricep dips, with the text "How To Do Dips For A... 90° ANGLE ACTIVATE CHEST". It includes a "VIEW" button.

Create Exercise Popup Modal Screen

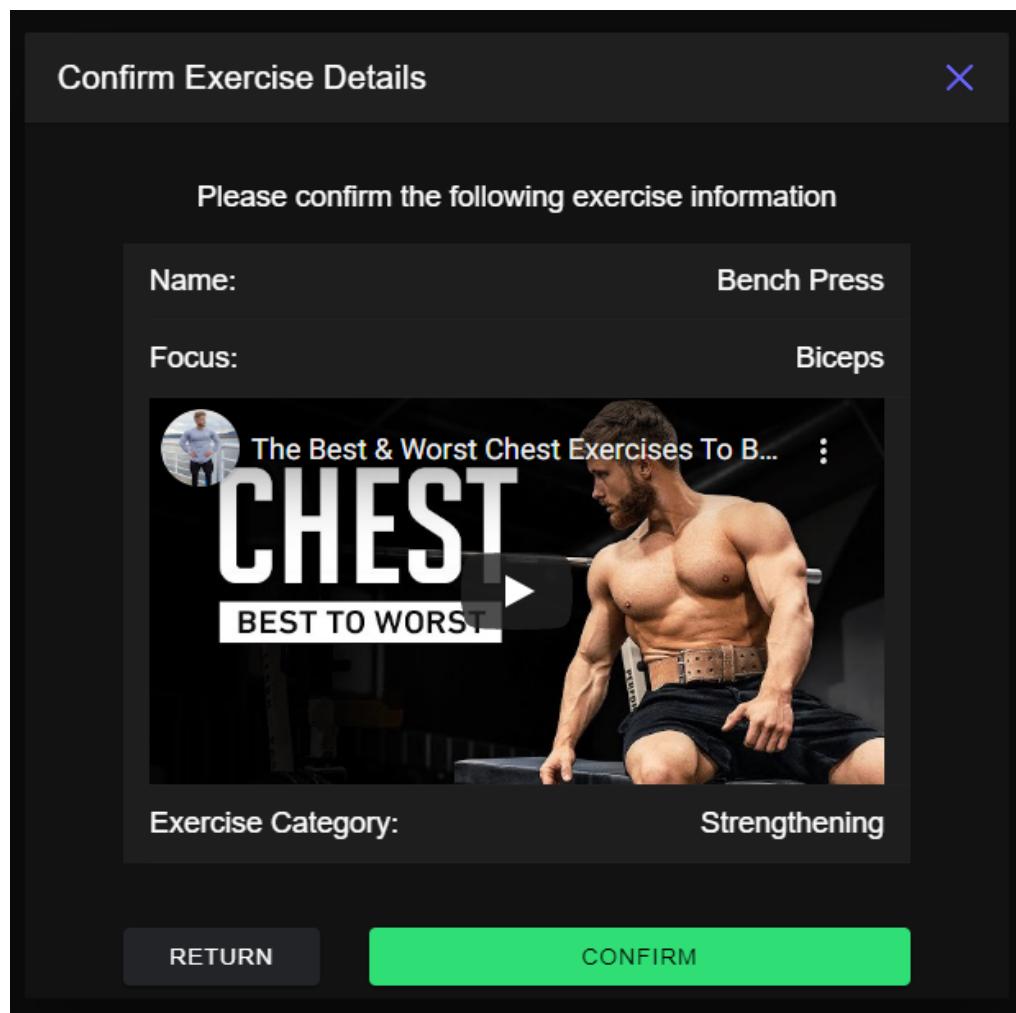

The screenshot shows a dark-themed modal dialog titled "New Exercise Details". It contains fields for entering exercise information:

- Name:** Bench Press
- Muscle Focus:** Biceps
- Youtube Url:** <https://www.youtube.com/watch?v=NsEbXsTwas8>

Below these fields is a video thumbnail for the "Bench Press" exercise, showing a person performing the movement. The thumbnail includes the text "The Best & Worst Chest Exercises To B... CHEST BEST TO WORST".

WRITE-OFF REASON

View Write-off Reason Screen

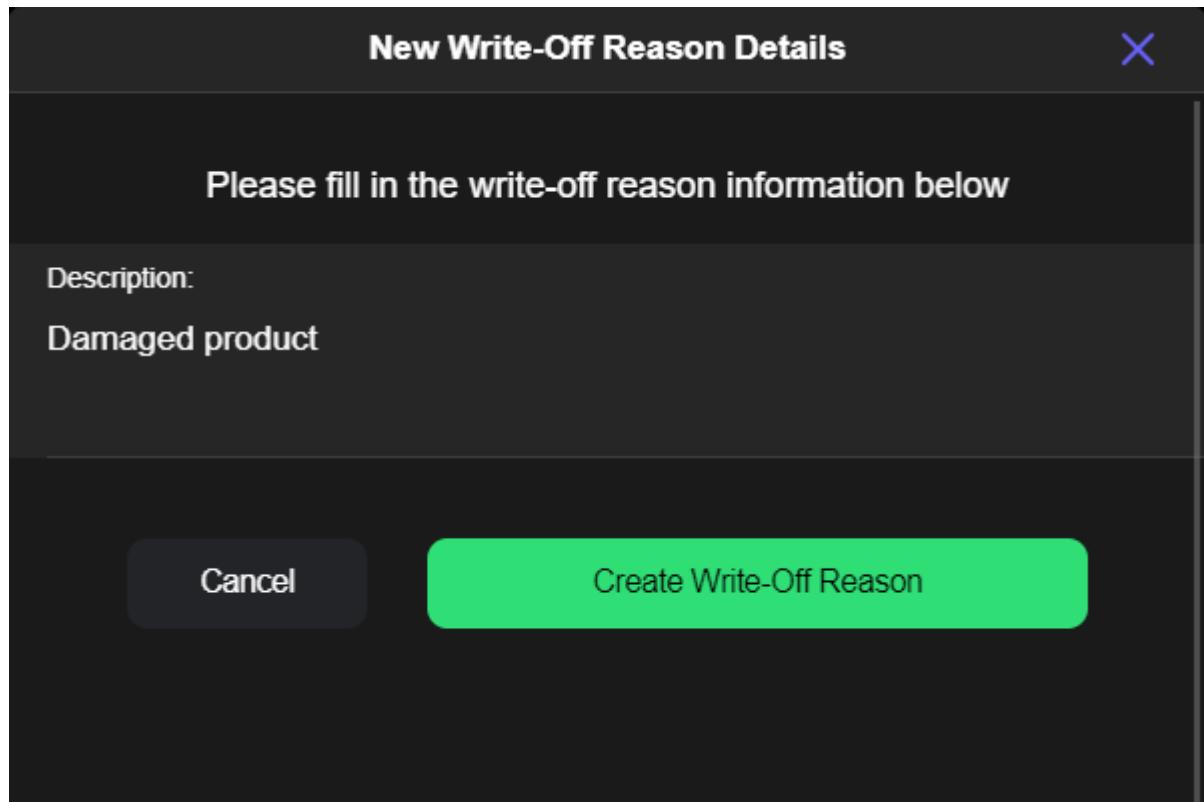

The screenshot shows a mobile application interface titled "Write-Off Reason". At the top is a navigation bar with three horizontal lines on the left, the title in the center, and the "BSC" logo on the right. Below the title is a search bar containing the placeholder "Search Write-Off Reason...". A green button labeled "Add Write-Off Reason" is positioned below the search bar. The main content area displays a single list item: "Damaged product" on the left, followed by a small icon and two arrows on the right.

View Specific Write-off Reason Popup Modal

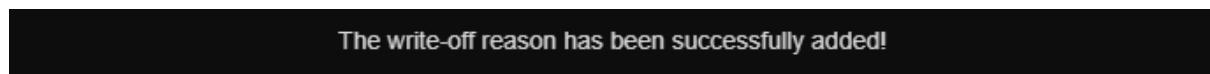

The screenshot shows a "View Reason" modal window. The title bar includes the title "View Reason" and a close button (X). The main content area contains the message: "The following information corresponds with the selected write-off reason". Below this, there is a table with two columns: "Description:" and "Damaged product". At the bottom of the modal is a large grey button labeled "Return".
