# Iteration 0

On an A4 page, include the following:

• Your team's name

• The name of the system you will develop

• The type of system you will develop e.g., pre-school administration system; point-of-sales system; etc.

• Your team photo with names (in order as on photo)

• A table with your team's information (including everyone's student number, name, surname, email address, and contact number)

• Your client's information (photo, company and contact details)

• A short description of the business problem your system will address.

Due: 28 February 2022, 10:00. Upload on ClickUP by ONE member of the Team
